IS

Cardinal

Cardinal, a Division of Cardinal Systems, Inc., is a family-owned American Manufacturer of superior swimming pool & spa products. Since Cardinal's inception in 1976, the aggressive pursuit to seek out and apply the most advanced manufacturing technology in the industry has always been consistent. The combination of high-tech machinery, thoughtful design, and hand-crafted precision are all implemented within the processes of creating Cardinal products. Our over 350,000 sq. ft facility allows the space for our Operations to work efficiently to meet high demand.

Our family-focused mentality is practiced in every aspect of our Business—from our products, to our teams, customers, and more. When working with Cardinal, you can expect an *all-inclusive, honest, and genuinely welcoming experience*. We strive for innovation and adaptability within an ever-changing market to guarantee luxury, comfort, and reliability that extends to Homeowners and their own families.

STANDARD POOLS

Classic, modern, free-flowing and functional, our traditional shapes can be the foundation for the beautiful canvas in which you bring your dream pool to life.

CUSTOM POOLS

Elegance and variety are central to Cardinal's custom-designed swimming pools. Gracefully sweeping curves can lend organic, visual movement to your landscape. No dream is too big; We invite you to let your imagination soar while our highly-skilled engineers make the 'big ideas' a reality.
