

WHO is CARDINAL?

Cardinal, a Division of Cardinal Systems, Inc., is a family-owned Manufacturer of superior swimming pool & spa products. Since Cardinal's inception in 1976, the aggressive pursuit to seek out and apply the most advanced manufacturing technology in the industry has always been consistent. The combination of high-tech machinery, thoughtful design, and hand-crafted precision are all implemented within the processes of creating Cardinal products. Our over 300,000 sq. ft facility (and continuing to expand) allows the space for our Operations to work efficiently to meet high demand.

Our family-focused mentality is practiced in every aspect of our Business—from our products, to our teams, customers, and more. When working with Cardinal, you can expect an *all-inclusive, honest, and genuinely welcoming experience*, much like that of a real family. We strive for innovation and adaptability within an ever-changing market to guarantee luxury, comfort, and reliability that extends to Homeowners and their own families. In essence:

WE KNOW POOLS.

CUSTOM MANUFACTURING

Almost all of our manufactured products have the ability to be customized, altered, and tailored to suit personal style or necessary landscape requirements. No dream is too big, and Cardinal welcomes the challenge of creating a completely custom piece that's never been explored. The combination of innovative design, high-tech machinery, and hand-crafted precision all come into play within the processes of creating Cardinal products. Our highly skilled teams work safely, accurately, and thoughtfully to ensure every product that leaves our doors is of top Cardinal-quality.
