Cardinal Custom Steel Steps & Benches

Cardinal's steel steps, benches, and entryways create an attractive and durable foundation for any dream pool.

Whether choosing from our wide selection of standard steps or a completely custom idea, Cardinal stands ready with the most advanced manufacturing technology, design software, and handcrafted precision to ensure an accurate finished product, every time. All items are **manufactured with 14-gauge steel for unmatched durability**. Every new model is thoughtfully designed to ensure a "perfect-fit" when installed on-site, as well as anticipate the visual appeal of a Cardinal Liner on top for a natural & elegant look in any pool.

Cardinal offers standard and custom designs, open pour and Modular Step options, and a fully accessible Step Finder Library to explore available models. **Quite simply, Cardinal steel steps and benches are unmatched for performance, function, and elegance.**

OPTIONS FOR ANY POOL

Standard Steel Steps

Cardinal offers **over 150 standard steel step and bench models** available in any 42 or 48" height, and practically any shape. Custom entry steps, benches, lounges, and sundecks are our specialty, and can be manufactured to fulfill almost any design.

Open Pour Steps

We want **YOU** to have the flexibility to decide what is best for your Customer. Keep your options open and affordable with an Open Pour step, bench, or sundeck solution. Every step created by Cardinal is available as Open Pour, with step-by-step instructions for simple assembly on-site.

All Steps are manufactured with **aluminum liner track** for simple & durable liner installation

Modular Steps

Knowing each pool is unique to its landscape and Customer, the Modular Step allows for an extended entryway to fit essentially any pool width. Customers choose a left, right, and appropriate quantity of middle sections to create an extended step module to fit the pool's specifications.
