A Plunge Pool *Series*

# CARDINAL Backyard Poolscape

The thought of owning a pool is often a dream, and remains a dream for today's average Homeowner. It may be that your backyard is 'too small' or your budget won't accommodate a standard pool. Perhaps your busy lifestyle doesn't mesh with the longterm upkeep and maintenance that a large luxury item requires.

That may be too much, but an empty yard is not enough... *right?*

To today's Homeowner, **we hear you, we see you.** You want a manageable space that you can unwind, and simply *escape into* after a long day. Our *Backyard Poolscape Series* is a plunge pool collection that offers luxury and paradise on a smaller, more manageable scale. Whatever it's purpose— relaxation, exercise/rehabilitation, a gathering place, a peaceful getaway... this collection will allow you to

*Escape to what is meant for you.*
